

Sawgrass Nature Center & Wildlife Hospital

3000 Sportsplex Drive Coral Springs, FL. 33065

(954) 752-WILD (9453)

sawgrassnaturecenter.org

Immediate Job Opening:

Wildlife Hospital Worker

Salary: Depending on experience

Duration: Part Time Regular

Work schedule: Variable

Worker will help care for our wildlife patients and permanent residents. Work will include food prep and feeding of adult and babies, medical treatments, cage cleaning, general hospital upkeep and all aspects of wildlife rehabilitation, as well as husbandry of the Center's Permanent Educational Animals. Must be willing to work with staff and volunteers (adults and juniors). May be asked to assist with educational programs and displays. Experience with using and training educational animals is also preferred.

The Sawgrass Nature Center and Wildlife Hospital cares for Native (& some exotic) mammals, birds and reptiles. Knowledge and experience with South Florida's Wildlife is preferred. Salary is negotiable based on experience.
